Hot Spots for the Fredericksburg Region *March 18 – March 24, 2012*

Travel Alert

Interstate 95

(Update) Sunday - Thursday, 9 p.m. – 4 a.m.; crews will be patrolling I-95 south between Exit 156 (Dale City) in Prince William County and Exit 96 (Rt. 30) in Caroline County for potholes. This is a mobile operation. One lane will be closed to traffic when repairs are needed.

Stafford County

Mine Road

(New) Monday – Friday, 9 a.m. – 3 p.m.; work is underway on the Mine Road Turn Lane Project. Motorists should be alert to construction activity and expect periodic delays and lane closures on Mine Road near the Route 610 intersection. The project is expected to be complete by July 2012.

Spotsylvania County

Interstate 95

(Update) Monday – Thursday, 8 a.m. – 4 p.m.; crews will be installing guardrail on I-95 south between Exit 126 (Rt. 1/Spotsylvania) and Exit 118 (Rt. 606/Thornburg). One lane will be closed in the work zone.

Spotsylvania County - continued

Interstate 95 - continued

(New) Wednesday, 9 p.m. – 3 a.m.; motorists will be restricted to one lane on I-95 north just south of Exit 118 (Rt. 606/Thornburg). Crews will be repairing the overhead sign structure. Expect delays.

(New) Thursday, 9 p.m. – 3 a.m.; motorists will be restricted to one lane on I-95 south just north of Exit 126 (Rt. 1/Spotsylvania). Crews will be repairing the overhead sign structure. Expect delays.

Mine Road Convenience Center Entrance

(New) Wednesday, 8 a.m. – 6 p.m.; the entrance to the Mine Road Convenience Center located off of Mine Road will be closed to traffic. Spotsylvania County crews will be relocating a waterline in connection with the Mine Road/Lansdowne Road Intersection Improvement Project.

Mine Road/Lansdowne Road

(Update) Monday – Friday, daylight – dusk; motorists are reminded to be alert to construction crews and equipment in the vicinity of the Mine Road/Lansdowne Road intersection. Spotsylvania County has begun work on the intersection improvement project. Expect delays and traffic pattern changes during daylight hours.

King George County

Route 301

(New) Monday – Friday, daylight – dusk; motorists should expect delays on Route 301 in the vicinity of the Naval Support Facility at Dahlgren. The base will be conducting a military exercise that may create delays at the entrance to the facility. Significant delays are expected on Thursday and Friday. Other primary routes near the facility may also be impacted by this exercise.

Under Construction

Spotsylvania County

- **Route 3 Widening Project**
Widening project located between Chewing Lane and Gordon Road. Estimated completion date for the project is July 2012.
- **Route 208 (Spotsylvania County Bypass Project Phase II)**
Road improvement project from just west of the Ta River to just east of the Po River near Lake Anna. Estimated completion date of the project is February 2013.

Under Construction - continued

Spotsylvania County - continued

- **Route 208 Bridge over Lake Anna Update**

Construction continues in the eastbound lane on the Route 208 bridge over Lake Anna. A temporary signal maintains one-lane traffic in the westbound lane on the structure. Estimated completion date of the project is December 2012.

Caroline County

- **Route 207 Bridge Replacement Project**

Work is underway to replace the westbound Route 207 bridge over the CSX railroad tracks. Motorists should expect periodic lane closures on east and westbound side of Route 207 at the bridge. The speed limit has been reduced to 45 mph in the work zone. Estimated completion date for the project is May 2013.
